Offroad Electric Go-karts

Two offroad electric Go-Karts are driven on a dirt track. A 90kg weight limit applies without exception! There are two speed settings allowed depending on experience and age.

Description	Price per person
5-minute ride Due to a limited number of go-karts, we work on a rotation basis. So, if a ride is done, the next one in line gets an opportunity and you go to the back of the line.	R 30

Laser Clay Pigeon Shooting

A realistic feeling over-and-under shotgun will be provided, as well as a marshal. We can do 5 people at the same time.
